- Charter schools and cyber charter schools empower parents to choose the best educational experience for their children. They're growing in popularity because they actually work. Protect our charter schools from budget cuts! Take action now: <https://bit.ly/3Mg7tlj> #schoolchoice #charterschools #cybercharter
- PA families choose public charter and cyber charter schools for a better education and a better future for their children. Any budget cuts take away that right. Rise up and tell your lawmakers that children deserve choice: <https://bit.ly/3Mg7tlj> #schoolchoice #charterschools #cybercharter
- A child's education cannot be a one-size-fits-all proposition. Public charter and cyber charter schools open a world of options and paths to success that not every family can find in their neighborhood school. Budget cuts will hurt education, children and PA's future. Act now to protect charter schools: <https://bit.ly/3Mg7tlj> #schoolchoice #charterschools #cybercharter
- The quality of a child's education shouldn't depend on their family's zip code or income and it doesn't at charter and cyber charter schools, which educate more than 160,000 children in PA. Any budget cuts threaten families' freedom to find the best educational fit for their children. Children deserve choice. Act now to protect it: <https://bit.ly/3Mg7tlj> #cybercharter #charterschools #schoolchoice
- Budget cuts to public charter and cyber charter schools could eliminate access to a quality education for hundreds of thousands of children in PA. Don't let lawmakers threaten our choices and what we already know is working in public education. Take action now: <https://bit.ly/3Mg7tlj> #cybercharter #charterschools #schoolchoice
